Radigan opened.

Minutes read and approved.

Davis reported on the Social Committee. The dance for September 2nd is not definite inasmuch as Jimmy Clark has not indicated that he will be here with his band. Smith said that Clark would not be able to play and that action would be taken tomorrow to get another band.

Radigan stated that there is no possibility in sight for complimentary dances due to the lack of military and the consequent lack of finances.

The subject of the Freshman Banquet was brought up and it is not possible to make any definite plans as yet because a list of the freshmen will not be available until two weeks after the beginning of school.

The question of an increase of the size of the Board is still in a state of deferrment.

The next meeting of the Union Board will take place on September 5th.

Smith gave an informal address to the Board.

Meyer moved to adjourn. Davis 2nd. Carried.
