Shuser gave the Social Committee report. It is not possible to have a band in the Commons for financial reasons. The committee decided to sponsor record dances in the ~~Dug-Out~~ <sup>Alumni Hall</sup> on Friday nights on which nothing else has been planned, although not on Friday nights preceding Union-A.W.S. dances. There will be a record dance in the Union, the Moccasin Massacre, after the Pow-Wow at 30¢ per person. The band has been signed for the Formal Opening.

Rabb had not report to make on his committees.

Kaminski reported on the arrangements which had been made for the Homecoming Pep Session. The master of ceremonies will be either Glenn Hillis or Alex Campbell or perhaps Jack Hastings of Washington, Indiana. The ceremonies will take place in the Auditorium in deference to Bo's request. Kaminski will try to get a swing band for the occasion.

Willis reported on the Constitution committee. No definite results. Willis reported that Mr. Biddle has not replied to the letter asking him to be the faculty adviser of the Board. Further action was deferred.

The subject of women in the billiard room was introduced. Willis moved to exclude women from this room entirely. Meyer 2nd. Willis withdrew his motion so that Oswald could move to investigate the extent of the female trade in the billiard room. Kaminski 2nd Oswald's motion. Carried.

Rabb brought up the question of a Chess game with Purdue on the day of the Purdue game. It was the consensus that the Indiana team should wait to see if Purdue challenges as she should. Rabb was asked to check on the chess equipment and investigate the possibility of new equipment for the Chess Club.

Kaminski moved to have one member present at the counting of the ballots of the primary Homecoming Queen election. Oswald 2nd. Shuser amended to have no one present. No one to know results until announced at pep session. Carried. Willis moved to allow all soldier-students on the campus to vote. Meyer 2nd. Carried.
