Shuser gave the Social Committee report. The Inter-fraternity Pledge Council does not want the December 30th date and it is uncertain that Union-AWS will give a dance that night in view of Student Council's activity to get the date of enrollment changed.

Zuhl reported that the Union-AWS committee to get a reduction in the price of corsages had not obtained price lists from other towns and that no action had been taken as yet.

Rabb reported that Indiana had not had a Chess game with Purdue because an Indiana team had not been composed.

Kaminski said that the burial of John Purdue pep session was a success and suggested that the Union Board sponsor a pep session to display the Old Oaken bucket before the first home basketball game. Kaminski was asked to make arrangements for such a session. Lyman suggested that the bucket could be displayed under guard in the lobby of the Union Building.

The Union-AWS sponsored Senior Banquet will take place on the 16th of December. Lyman brought up the question of the Union Service Award banquet which was let unsettled.
