April 2, 1945

Kaminski opened.

Kyle was late. Murrey and Leaky were absent
Minutes of last meeting were read and approved.

The letter from Mr. Biddle was read. It stated his view-point on going back to the provisions of the old constitution. His sentiments were that due to the lack of an adequate no. of men on the campus, that the appointments of members of the Union Board be continued as is until a larger number of men return to the campus. This, he felt, could not be possible until the Spring of 1946. Even then it would require a great deal of advertising during the two preceding semesters.

April 13, is the date for the Service Award Banquet which will be held in conjunction with the Senior Banquet.
Gene Sarkey, Ivan Hines, and Gordon Patrick are to be recommended to Mr. Biddle for service awards.

Shine moved to adjourn Kluter 2'nd it. Carried.
