

November 13, 1945

Kyle opened at 7:00 p.m.

~~Alex Presant~~ Jones absent

Minutes read and approved.

Mr Biddle presided at the Formal Induction of Dean Robert Bates as Faculty Advisor of the Union Board.

Committee Reports:

Social--Mr. Smith reporting: The Orin Tucker dance was attended by 293 couples; a \$210.95 net loss was suffered. A Thanksgiving dance is planned for Friday, Nov. 16. Bud Yale's band will play.

Pep Sessions--Thompson reporting: A group of about 350 people met the team with a pep session last Sunday at 3:45 p.m.. There will be a Quarter-Back Hour as planned for the Minn. game Wednesday, Nov. 14.

Town Hall--Weber reporting : The next Town Hall discussion will be Tuesday, November 20; the subject has not yet been chosen.

Chess--Duncan reporting: Posters have been distributed to the housing units urging applications for the Chess Team. The response was satisfactory. There will be a feature story in Thursday's edition of the STUDENT.

Records--Steckler reporting: Only 75 people attended. This was attributed to the play "Uncle Harry" and the Marriage lecture on the campus that night.

It was decided that the radio rather than the Grid-Graph be used for the Pitt game.

Mr. Smith recommended to Hunter that men with 25 or more service hours be reported to the Board and their names be posted in the Men's Lounge.

Kyle recommended to the committee heads that service workers be used more extensively.

Thompson recommended that we have a pep session on Tuesday before the vacation with a bon-fire and the traditional burial of Jawn Purdue. Blue Key will be contacted to determine whether they wish to officiate at the ceremony. The fire will be roped off in the interest of ~~safety~~ safety. Mr. Biddle suggested that we work on having a good cheering section for the Purdue game. The pep session committee is going to try and arouse the interest of the students and get a good cheering section for the game. An attempt is going to be made to get the students over to see the Football Team off to the Pitt Game.

Mr Biddle suggested that the Board contact Mr. Doddy and Major Reed in an attempt to bring the University band back up to the standards set by the famous Marching Hundred. Thompson, Griggs and Rockefeller were appointed to investigate the situation.

Dean Bates expressed his appreciation at having been chosen Faculty Advisor and that he would fulfill the position to the best of his ability.

Thompson moved that the meeting be adjourned. Weber seconded. Motion carried.
