Committee Reports:

Social--Jones reporting: The planned opening of the Dugout was thwarted by Miss Lees of the Food Dept. It will, however, be open this Saturday night.

The plans are to have a local band for the 1st Dance to be held the night before vacation. The All-Campus Social Committee will meet this Thursday.

Commons Committee--Jones reporting: At the meeting of the committee five points were brought up. (1) Keeping the Commons open later in the evening during the week. (2) Having a band play in the Commons or Dugout on Wednesday, Friday, or Saturday or all three. (3) Better playing cards for the Commons. (4) Why boresses cannot be held in the Commons anymore. (5) Why the

Union A.W.S. was refused the opening of the Dugout Wednesday. Mr. Hartley, Personell Director, was contacted concerning the alledged shortage of help. He said that the help situation was improving and would continue to improve. Mr. Hartley seemed certain that, if all other obstacles were overcome, he could staff either the Commons or the Dugout.

Personell--Duncan reporting: The office is now open Monday thru Thursday from 1:30 to 5:00 p.m.. There is still a shortage of some types of Service Workers.

Records--Steckler reporting: The Record Hour was held in the Student Building last Friday Because the Union Building was taken over for the Junior Prom. Approximately 60 people attended the program. There will be a Popular Record Hour this Wednesday night. If the program proves successful, this program will be continued. The regular Record Hour will be presented Friday night.

Letter to the Veterans--Steckler reporting: The letter is awaiting a list of addresses of the Veterans.

Billiards--Hunter reporting: There have been no definite plans made for the Billiard Tournament. It will be held soon after mid-terms. The tournament will consist of three divisions: three rail billiards; straight rail billiards; and pocket billiards.

Bridge Tournament--Elsner reporting: The eliminations are being held in the Housing Units this week. A.W.S. has agreed to help pay for a trophy for the Championship Team.

Selection Committee--Mr. Smith reporting: The Selection Committee met Wednesday, March 20, and selected the following men to serve on the 1946-1947 Union Board: Sophomores-Glen Graves, Barton Grabow, and Dick Fague; Juniors-Pat Campbell, Bill Thomas, and Frank Plummer.

Letters from A.W.S. Council and the Student Council supporting our drive to open the Commons in the evening were read by President Kyle. (The letters are included in the minutes.)

Discussion was held on the issue of keeping the Commons open in the evening, opening the Dugout in the evenings, and having a band in either the Commons or the Dugout. The difficulty seems to lie in the heads of the Food Department. Miss Lees has refused to keep the Commons open, to open the Dugout, or to even consider putting a band in the Commons, or to allow boresses in the Commons. Dean Shoemaker expressed his sympathy with our cause. Jones moved that a committee built around Dean Shoemaker, Dean Bates, and Mr. Smith approach Mr. Jordon on the matter. Duncan seconded. The motion was carried. The committee was appointed consisting of Dean Shoemaker, Dean Bates, Mr. Smith, and Jones.

Elsner is to contact Jim Trimble, Chairman of the Trailer Court Council, in an effort to get the Veterans in the Bridge Tournament in particular and to urge their participation in the student activities in general.

Elsner moved that the Union Board in cooperation with the A.W.S. Council provide a trophy for the Championship team of the ALL-Campus Bridge Tournament. Hunter seconded. The motion was carried.

Jones suggested that the Union Board provide a special evening in Alumni Hall for the Veterans and their wives living in the Trailer Court. All the members of the Board voiced their approval of Jones' suggestion. Jones will work on plans to that end.

The Board chose Shelby Jones as the representative to attend the Annual Convention of the Association of College Unions to be held at the University of Minnesota, April 12, 13 and 14.

Hunter moved that the meeting be adjourned. Jones seconded. The motion was carried.

Committee Reports:

Social--Jones reporting: No plans have been made for the Veterans Social night. Both the Commons and the Dugout will be open this Saturday night.

Investigation--Jones reporting: The committee met with Mr. Jordon and there seems to be a definite shortage of help. It seems that Mr. Hartley's remarks were mis-interpreted. Mr. Jordon is trying to get sufficient help in the Commons. He approves of our plan to open it and put a band in there if the employees are available. The boresses were ruled out by the Administration because of property losses. The recommendations of the committee were that the Board members try and encourage students to seek employment in the Commons.

Records--Steckler reporting: About 40 people attended the Pop Record Hour last Wednesday, and approximately 60 people attended the program Friday night. Both programs will be presented again this week.

Letter to the Veterans--Steckler reporting: The letter has been sent out. A copy will be placed in the minutes.

Personell-Duncan reporting: The phoning list has been compiled. The office is short of supplies.

Chess--Duncan reporting: There will be a meeting of the Chess Club Thursday night at which time John van Benton will speak on "The Single Bishop Sacrifice". There will be publicity on the meeting.
