

April 17, 1947

Meeting came to order at 7P.M.; Lambert presiding.

John Wallace absent.

The minutes were read and corrected.

New Business: Mr. Smith announced Pres. Wallace's appointment of Dick Hawley as Chairman of the Committee on Tournaments--Bowling, Chess and Bridge. It was brought up again that the bowling team is anxious to go to Purdue. No action taken on this at the present time.

Mr. Kaiser revealed that Harry Hoppking, an I.U. student, has been invited to go to Purdue to play in the National Invitational Billiard Tournament; he then explained the procedure of this tournament.

Mr. Smith announced that tentative arrangements have been made to hold a duplicate bridge tournament May 1 and again May 15. A Mrs. Bushman will conduct and supervise the tournament for \$17.50 plus room each time. Toy moved that these tentative arrangements be carried out. Fague seconded and the motion was passed unanimously. The matter was turned over to Hawley as Chairman of the Committee on Bowling, and Chess and Bridge.

Toy brought up cheer-leaders. He discussed the cheer leaders plan to arouse enthusiasm--a picked group of rooters called the "300 Howling Hoosiers". He asked if Union Board could recommend to the Athletic Board that this be done. Hugh Husband told about a similar plan which was a little more extensive. After Mr. Wheeler told how the card shows at football games work, it was reported that the plan was thought to impracticable at the present time. Fague suggested that Bo McMillin be invited to attend a meeting.

Lambert suggested that the purpose of each committee be explained for the benefit of new members.

Fague reported on the duties of the Social Chairman who, he said, has two main functions: (1) He works with the Social Chairman of A.W.S. and (2) He helps plan Union-W.W.S. social activities to which Board members are admitted free.

Traub asked if a joint meeting with A.W.S. had ever been held.

Mr. Smith explained how the program of dances is made out. Union-A.W.S. gets first choice on all Friday nights, after which a schedule is made out and a drawing held for all organizations. It is planned to hold the drawing for next year this spring.

Graves said that the only function of the Publications Committee last year was publishing the Freshman Handbook. He then explained the working of the Camera Club, which used to be a part of Lobby of Hobbies before it was taken over by the Union Board.

Lambert explained that the chief duty of the Personnel department is keeping records, which requires having men in the office five mornings and afternoons a week.

In reporting on the Publicity Committee, Mr. Smith said that he gives a report of the meetings to the Daily Student.

Town Hall is a forum in which national and campus issues are discussed.

The Record Hour, Campus Relations, and Special Events Committees were also mentioned.

Mr. Kaiser brought up the matter of how hard it is to contact Union Board members. It was suggested that members stop in once a day.

The Dugout was discussed as a potential location for social activities, but it was decided that it is more useful as a storage place.

Meeting adjourned at 8:10.
