

New Business:

The subject of Union Board elections was discussed. It was agreed that we would be within our rights to conduct Union Board elections, but have them supervised by Student Council.

Graves raised a question as to what had happened to the Society for Prevention and Encouragement of Barber-Shop Quartets. It seems that the man behind the local group has withdrawn from school.

Graves also discussed the possibility of roller-skating in Alumni Hall. It was agreed that it would be impossible to secure permission for this.

Steckel is to prepare a questionnaire for the purpose of determining why attendance at dances is not greater.

There being no further business the meeting was adjourned at 8:30 P.M.

The meeting was called to order at 7:10 p.m. by President Lambert. The minutes of the last meeting were read and approved.

The secretary was instructed to write a letter to Student Council, explaining our position in Union elections and requesting their aid in supervising such elections.

Pres. Lambert read a letter from Maurice Edelstein of the Progressive Citizens Club requesting enlargement of the Campus Calendar. This matter is to be referred to the new board.

Pres. Lambert read another letter from Student Council requesting that they be released from the rental charge for their share of room 313. Hinds moved and Steckel seconded that their request be granted. The motion was carried and the secretary was instructed to write a letter so informing them.

Committee Reports

Steckel again reminded the Board of the Banquet Tuesday, April 27. Traub discussed the proposed Union night April 28 explaining that many difficulties had been encountered. Bowers and Lambert then told of a talk with A.W.S. members from which they learned that A. W. W. is planning a style show May 5 and also that they would not look favorably upon the use of joint Union-A.W.S. funds unless there were also joint participation. It was left that the Board favored having the Union night May 5 if an agreement can be reached with A.W.S. Lambert related his experiences with Dr. Bryan while trying to determine what motto to use in the Bryan Room. He told of Dr. Bryan's second choice--"By your judgments, you are judged." The decision as to whether the other motto is feasible will be left to Prof. Hope, head of the Art Dept.

Old Business

Hinds explained a plan to help dances in the Union. The basic element in his plan is an insurance device whereby organization pay in a certain per cent of the profits on their dances to provide a fund for the reimbursement of groups which lose.

continued

Traub was appointed chairman of a party committee which must achieve its goal before May 20.
