

place for it in the Commons of the Union Building.

As soon as the Union Board Picture is ready for display we plan to build a display around it with some small item representing all of the various committees such as a record for Leontiates, a thank you card of Fall Carnival and an invitation to Opening of formal season, etc.

The information Desk is functioning with hardly any absences.

The tour committee has taken three separate tours in the last few weeks for different organizations that have convention and for one church group.

The Radio program is on a schedule which include live interviews on Monday night of important people. Ken Kress was on last night and his program proved to be very interesting and educational. I have heard several people say that they heard it. We will be making the rounds of the Union Board in the next few weeks. Tuesday night will cover the news of the last weekend and up to Thursday with possibilities of spot recordings from some place on campus. Thursday night will hit the highlights of the coming week.

Mr. Smith announced that the Service Award Banquet will be after the first of the year.

No further business appearing before the board Carl Shrader moved that we adjourn. Seconded and passed.

A floor show in the commons at 10 minute intervals till 10:00 and movies in the Marine Room until 10:00. We will also have classical music played in the ABC rooms as a courtesy of the music committee until 10:00. Santa Claus who will be Dr. Wells will appear at 10:00 in Alumni Hall and give the campus christmas message and candy canes will be passed out at this time. Dance will resume until the vesper service which will be at 11:15. The vesper service is sponsored by the YMCA-YWCA.

Music Activities Committee: Bob "Stormy" Weathers has been appointed as publicity chairman of the committee. The community sing starts in the commons this Wednesday night. The AWS has consented to give us points for work on our committee.

Town Hall: There is a forum being planned for after Christmas which will be on "Lowering the voting age from 21 to 18". There is a possibility of getting some of the State Legislature, to come down as speakers. A social poll is being taken by the Student Opinion Committee.

Student Faculty Relations: We are working on some experimental discussions on departmental basis. There is a possibility that we can set up a chaperon bureau for the student groups that want chaperons and in this way help the faculty to get the events they prefer and the student group to get better chaperons.

Constitutions Committee: This committee is composed of Ray Morris, Jim Leontiates, and Keith Cockran. They plan to present the proposed amendments at the next meeting.

Executive Business:

Mr. Smith: He read a letter of thanks from Alpha Epsilon Delta for the assignment of room 414. Letter of December 5, 1950 from J. J. Butler president Alpha Epsilon Delta. He read letter refusing the assignment of Room 415 to the Cosmopolitan Club because of their small budget.

Motion (Schwartz) I move that we publicize the Room 415 as available in the Union for Student organizations. The rental fee will be 5¢ per square foot. Seconded (Morris) and passed.

Letter of December 8th from Larence Wheeler to Mr. Cookson regarding the rental charge of the Sigma Delta Chi room.
(Smith to Cookson, Reply December 11, 1950.)

Discussion: The letter was answered explaining the reasons for the assignment and charge for room. Jack Howey has ask for the sole use of the Sigma Delta Chi room. Ken Kress explained that we can do nothing at the present time about the room. It has been okayed by Treasurer of the University and the Student Senate.

Motion (Smith) That no photographs for resale can be taken within the Union Building by any organization, except those arranged for through the Reservations Office and approved by the Manager of the Union, and the Dance Chairman, or authorized person, from the organization arranging the function. The photographer is to be approved by the Manager of the Union, and a percentage of gross income of the photographer will be payable to the Indiana Union, and will be credited to the Indiana Union Fund 5002.

A contract is to be executed in regards to the pictures. The contract is to be signed by the photographer, dance chairman, and the Manager of the Indiana Union.

Seconded Schwartz.

Discussion: This motion will merely take the profit made on the pictures from the dance committee and give it to the Union. This arrangement has been made in some of the other places on campus and is rightfully ours since we usually have to set up extra back drops and scenery for them. It will not affect the informal pictures taken for magazines, papers or other publications since these pictures will not be for resale individually. Motion **Passed (7 for, 2 against, 2 abstained)**.

Motion: (Smith) I move that a set up for a three hour dance for the complete building with center of Men's lounge, Alumni Hall and ABCD rooms be charged a fee of \$175.00. Seconded (**Schwartz**) **Passed.**

Keith Cockran stated that there are a lot of traditions on campus that are lost. Ken Bergman, the Daily Student Reporter said that he felt that someone should compile a history of the Indiana University traditions and that maybe we should have a memorial room some place in the building somewhat on the same order as the Ernie Pyle exhibit. It was suggested that maybe we could use the hall ways for this type of exhibit. Ken Kress appointed a Traditions committee to investigate the situation and report the possibilities. This committee was composed of Mac Romine, Glen Stewart, and Keith Cockran.

Carl Shrader asked what had happened to the Woodburn Room and it was explained that the bookstore had taken it over as a sales room during the rush season of Christmas.

Motion (Shrader) I move that a letter be sent to Mr. Sims announcing the view of the board in concern to the use

of the Woodburn Room's use as a salesroom. Seconded (**Schwartz**) and the **Motion** was passed.

Motion (Morris) I move that the sign outside of the Union Board Office be repainted to read Union Board Office. Seconded (**Stewart**) and passed.

Resolution (Morris)

Whereas: Dr. Wright is this year commemorating his Twenty-Fifth Anniversary as a highly revered and respected member of the University family,

Be it Hereby Resolved: that the Union Board of Control, as a governing body representing all men students, extend to Dr. Wright its sincerest congratulations on this memorable occasion, with best wishes for his continued success as a member of the University family.

Seconded Stewart and passed.

No other business appearing before the board Ken Kress ask for the board members to give some consideration to the question

of whether a student Union would be feasible to Indiana University. Would it help the campus and its activities?
