

October 2, 1951

The ninth meeting of the 1951-52 Union Board was called to order by the President at 7:10 p.m., and the minutes of the last meeting were read and approved. All members were present.

Mr. Smith reported that the proposal of the Soccer Club being allowed to use the Union station wagons for making their trips would be presented to the Executive Committee of the Board of Trustees. As yet no contracts have been received from George Shearing and Billy Ekstine for the pop concert Nov. 14. There is a possibility of another show being presented either Nov. 14 or 15. The Homecoming Committee met Monday, Oct. 1, and decided that the Union would again conduct the homecoming queen election and the pep session for the game.

There was some discussion as to whether or not it be required that the candidates for Homecoming queen be direct descendants of alumni. A motion was made by John Sparks that Union Board continue to support the tradition of having the homecoming queen be a descendant of an alumnus. The motion was passed unanimously.

Glen Stewart made a motion that a special committee of Union Board be set up to establish the necessary rules and procedures for the Union's part in Homecoming celebration. The motion was carried unanimously. Appointed to the committee were Mr. Smith, Jerry Baur, Fred Fain, and Bob Bohn. The committee will meet before next Tuesday in order to carry the Board's policy to the next meeting of the Homecoming Committee.

Glen Stewart asked about using Service Workers to categorize dues slips for the Student Senate. John Sparks moved that discussion be delayed until next week. The motion carried unanimously. The President interjected that the Board establish a definite policy for the use of Service Workers by organizations other than the Union.

The following Committees reported:

#### Social

The Fall Festival was the most successful yet with more than 36 organizations participating.

#### Music Activities

Plans are being made to have a "Uke" night in the Commons. Jerry Baur moved that the Board recommend to the Union-AWS Social Committee that the organist in the Commons play only from 8:00 to 9:00 p.m. on Wed., Fri., and Sat. in order that students desiring to dance to the juke box may do so during the later evening hours. The motion carried 9 to 2. The Secretary will draw up the recommendation and forward it to the Union-AWS Social Committee.

Jerry Wilson and Ed Frank reported on their investigation concerning the establishing of dancing classes by Dorothy Cox and Bert Ziegler as proposed at last week's meeting. A small sampling of students approached on the subject showed little approval, and the dance studio in town is definitely not in favor of such a move, stating that they could also offer similar lessons for the same rate. The committee moved that the proposal of Miss Cox and Mr. Ziegler be rejected. The motion was carried unanimously.

## Student Spirit

The following were selected as cheerleaders for the coming year: Elbert McDaniels, Sophomore, Captain; Richard Pile, Junior; James Johnson, Sophomore; Robert Ownes, Freshman; Georgi Graves, Senior; Roz Watson and Mary Torrence, Juniors; and Shirley Ann Sermersheim, Freshman. There will be a pep session Thurs., Oct. 4, at 6:30 p.m. A petition is being circulated which will carry student signatures saying they are backing Coach Smith.

## Fall Carnival

Publicity - The banner downtown was blown down. Pictures are to appear in the Bloomington and Indianapolis papers. There will be banners carried by clowns before the game Sat. The DU fire truck and a P.A. truck will visit Bloomington schools Wed. and Thurs. passing out hand bills on the Carnival. There will be a special carnival issue of the Student Saturday.

Bob Weathers reported that all special invitations have been sent out. Anyone needing anything through procurement should call Tom Bluemley or Bill Lohar at 6841.

Tickets for Bachelor of the Year have already accounted for cash sales of between 900 and 1000 dollars, with approximately 25,000 tickets already checked out.

Fred Pain reported that the proposed auction of unclaimed goods at Lost and Found was off because the things had been turned over to the Salvation Army. He also said that the Big balloons broke after being anchored to the roof of the Union Bldg.

Bachelor of the Year - Four Union Board members and four AWS members are needed to count votes Thursday and Saturday. Union Board will have Bob Weathers, Dick Hensel, John Sparks, Jerry Wilson, and Glen Stewart counting. The five finalists will appear on WTTV. Carol Mitchell will crown the Bachelor at the Carnival. Girls voting will have their hands stamped under an ultraviolet light to keep them from voting more than once. All females attending the Carnival will be allowed to vote. There have been a few complaints about people selling votes in the Commons during meal hours, but there will be no official action taken to stop this other than to have the assistant managers discourage it when they see someone doing so.

Programs - The programs are at the printers.

Glen Stewart reported that Merrill German is his assistant in taking care of details and will check with Board members to see if they have done their jobs.

Mr. Monfort said that the main entrance to the Carnival will be the southwest door of the Fieldhouse, but that the hall along the sour side of the Men's Gym will also be used. Service workers will guard the entrances. Check outs will be available at the gate. The pre-sale of Carnival tickets will start Thursday in the Commons.

The President asked that Board members be in the office in Hoosier Halls during their spare moments on Friday and Sat. Extra office workers are also to be in the Halls at that time.

Mr. Bucher asked the Board to do what they could in supplying guides for the High School students who will be on campus Sat. in conjunction with High School

Day. At least 25 or 30 are needed and names should be turned in to the chairman of tours, George Gamble, at the Sigma Nu house.

The meeting adjourned at 8:55 p.m.

Approved:

  
Keith H. Cochran, President
