

and will list briefly the activities of the past month and an outline of the next month's plans.

Because the writing of a new constitution for the proposed Student Union is too difficult when both the entire Union Board and AWS Council meet, it was agreed that a committee consisting of three members from each board be appointed to write the first rough draft, and then their work will be presented to both groups for comments. Keith Cochran, John Sparks, and Jim Pauloski would represent Union Board, and Eleanor Reed, Sue Bogard, and Linda Farnham would represent AWS. Glen Stewart moved that this committee be approved. The motion carried unanimously.

Glen Stewart moved that the Board approve the use of Union Service workers to help the Student Senate tabulate the slips for class dues. The motion was defeated. In the discussion it was pointed out that it is the policy of the Board to furnish workers only for service to the University and not for individual organizations, and by changing the policy the Board would be setting a precedent.

The meeting adjourned at 8:40 p.m.

Bob Weathers said that every two weeks starting Wed. community singing will be held in the Rhythm Room. A Campus Hit Parade featuring the top selling records in Bloomington would be picked by one house and one dorm each week and played over Station WTTS. In the future, the program, Personalities on Record, will present one band leader and that the next program will feature George Shearing and Billy Ekstine. At this time, Mr. Monfort reported that advertising on the Shearing-Ekstine concert will be displayed in the Union and at the Auditorium and stadium. Handbills publicizing the concert will be passed out at the football game and an announcement made over the public address system. It was suggested that Shearing-Ekstine posters be placed in the local ale distributing institutions.

Treasurer - Mr. Smith received a letter from Mr. Franklin stating that the old football photographs in the Billiard Room should not have been taken down because they will be missed by our visiting alumni. Mr. Smith pointed out that these photographs in question were out of date and detracted from the beautiful appearance of the Billiard Room. The President asked Bob Bohn to meet with Mr. Smith and discuss the possibility of bringing the old photographs up-to-date.

A letter announcing the reunion of former Board members is being prepared, and Mr. Smith reported that it will be sent to all old Board members before the end of the week. Keith Cochran, Jerry Baur, Bob Weathers, Fred Pain, and John Sparks will escort the queen and her court at the pre-game ceremonies. Ed Frank and Mike Hreha will be the escorts for the Governor of Indiana. Mr. Smith made a motion that the five Union Board escorts sit with the queen and her court through the game. The motion was passed unanimously.

The President asked that each Board member meet with him on Wed. and Thurs. at an appointed time.

#### Old Business

Bob Weathers informed the Board that photographs of the Fall Carnival can be seen in Mr. Monfort's office. Mike Hreha asked all Board members to hand in to him an organizational chart of their committee before the end of the meeting.

New Business - Mr. Smith asked the Board if the Union should accept commissions on contracts with housing units having photographs taken at their dances in Alumni Hall. After a brief discussion Bob Weathers made a motion that the Union should waive all commissions on photographs taken at dances in Alumni Hall sponsored by various housing units. The motion was passed unanimously. Mr. Smith informed the Board that the local stage hands union will work at all dances held in Alumni Hall which will increase the rental fee. However, the President of the local stagehands union verbally assured the Indiana Union that stagehand union labor for free dances in the union will not be required.

They decided after discussion to return the photographs to the Athletic Dept. Mr. Smith called Mr. Franklin and notified him of the Board's decision. Mr. Franklin then decided to have the photographs displayed elsewhere. He also stated that he will visit the Board of Governors of the various centers and ask them to help push the sale of tickets for the concert. At this time Mr. Smith reported that Ekstine-Shearing records have been placed in the juke box as a means of increasing the interests in the concert. Dick Hensel stated that students do not know who is sponsoring the concert, but Mr. Monfort assured him and the Board that all publicity on this event makes known the fact that the Union is the sponsor. Mr. Monfort also told the Board that tickets for the pop concert will be sold at the auditorium only.
