[OCTOBER 30, 1951?]

The thirteenth meeting of the 1951-52 Union Board was called to order by the President at 6:35 p.m. Absent were Dr. Bucher, Jim Pauloski, Glen Stewart, and Jerry Baur. The minutes of the last meeting were read and approved.

The following committees reported:

Student Spirit

Bob Bohn reported that he had a meeting with Lyman Smith concerning the old football photographs that were taken down from the Billiards Room. They decided after discussion to return the photographs to the Athletic Dept. Mr. Smith called Mr. Franklin and notified him of the Board's decision. Mr. Franklin then decided to have the photographs displayed elsewhere. The Cheerleader's Conference is scheduled for this Saturday from 10:00-11:30 a.m. and from 1:30 to approximately 4:00 p.m. The President asked all Board members to attend the Conference if at all possible.

Social

A dance to be held after the Michigan State game was planned, but because of the other numerous activities on campus, Mr. Wilson and his committee decided to cancel it.

Individual & Club

The Photography Club held a meeting last Monday and the number of members that were present was very small. However, Ed Frank stated that a drive for increased membership is on.

Music

Bob Weathers reported that he is trying to use the P.A. systems in the various dining halls to publicize the Shearing-Ekstine concert. He also stated that he will visit the Board of Governors of the various centers and ask them to help push the sale of tickets for the concert. At this time Mr. Smith reported that Ekstine-Shearing records have been placed in the juke box as a means of increasing the interests in the concert. Dick Hensel stated that students do not know who is sponsoring the concert, but Mr. Monfort assured him and the Board that all publicity on this event makes known the fact that the Union is the sponsor. Mr. Monfort also told the Board that tickets for the pop concert will be sold at the auditorium only.

Personnel

Mike Hreha informed the Board that two new committees were formed, the Personnel Relations Committee and the Arts & Crafts Committee. Sam Payton and Jack Pembroke are the co-chairmen of the Personnel Relations Committee. No committee chairmen has been appointed for the Arts & Crafts Committee.

Team Activities

Dick Hensel reported that his committee has changed its structure and that some activities have been transferred to the Individual & Club Committee. Mr. Hensel said that a new organizational chart will be ready in time for the next Board meeting.

Mr. Smith brought up the question of complimentary ticket distribution to Union Board members for Union sponsored events. After a brief discussion, Bob Weathers made a motion that each Board member receive one complimentary ticket regardless of price. The motion was carried unanimously.

All publicity for the Indiana Union is to be approved by Mr. Monfort before publication, particularly if it is to be printed in the Daily Student. A special basket for all publicity to be approved by Mr. Monfort will be placed on his desk.

Dick Hensel and other Board members informed the President that they are having difficulty in entering public dances in Alumni Hall with their complimentary passes. Mr. Smith assured the President and the Board that this embarrassment to Board Members will not occur again. The President asked Mike Hreha if all Fall Carnival thank you letters and cards were sent out. Mr. Hreha informed him that all follow-up work had been taken care of. The President reported that Jim Pauloski is going to write a series of articles for publication in the Daily Student informing the students of the many services the Union provides. Dean Sikes informed the President that a required meeting of all freshmen for the purpose of informing them of the Union services cannot be held; however, Dean Sikes suggested that letters publicizing the Union be sent to all freshmen. The President requested that the Secretary write thank you letters to the Phi Delta Theta Fraternity, the men with convertibles, Gov. Schricker, Mr. Martino, and anyone else who helped in making this year's Homecoming Day activities a huge success.

Follow-up publicity was suggested by the President for all Union sponsored events. Monthly Committee reports are due the first week of each month, and the organizational charts of the various Board committees are due by noon, Friday. The President appointed Fred Pain to take charge of the Union organizational display in the Union trophy case.

The meeting was adjourned at 7:45 p.m.

The fourteenth meeting of the 1951-52 Union Board was called to order by the President at 6:30 p.m. and the minutes of the last meeting were read and approved. Absent were Mr. Bucher, Jim Pauloski, Dick Hensel, Jerry Baur, and Glen Stewart.

The following committees reported:

Shearing-Ekstine Concert Report - Mr. Monfort reported that \$3.60, \$3.00, \$2.40, and \$1.80 tickets for the concert are selling fast; and Mr. Smith stated that our present total sales of tickets will cover all expenses of this concert. Promotional ideas for the sale of the cheaper tickets were discussed and it was pointed out that the dormitories and high school students should be hit the hardest for the sale of these tickets.
