Individual & Club

Ed Frank stated that he is working on the reorganization of his committee. The Photography Club is having a membership drive and it is believed that the number of members will increase. Union Board and A.W.S. will establish a permanent Rec-Nite Committee, and Ed Frank asked all the Board members to drop in and see this committee in action. Soccer Team is in first place in their conference and if they win their game this Saturday, the Soccer Team will win the conference title. It was also stated that the publicity on the soccer team in the B & E did not state that the Union was sponsoring the team and that it should be taken care of immediately.

Town Hall - The Town Hall Meeting scheduled for tomorrow night was postponed because of possible bad publicity. However, on Dec. 5, Dr. Mee will speak on the problem of athletics at I.U. Bob Weathers suggested that publicity for this speech should reach the students by radio. Fred Pain stated that he will investigate the possibility of radio publicity.

Student-Faculty

John Sparks reported that two new committees were organized, a committee for student-faculty parties and a committee for chaperones.

Mr. Monfort told the Board that the faculty would have Mr. Charles Peterson to present a private exhibition on how to play better billiards. After a brief discussion, the Board approved a private exhibition by Mr. Peterson at the Union's expense.

At the last Union-AWS Constitution Committee Meeting the President reported that nothing was accomplished in writing, but a great deal was accomplished in discussing what to write in the Student-Union Constitution.

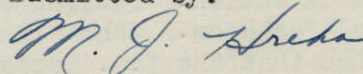

The President suggested that on the new Campus Calendar all Union sponsored events should be marked as such. Bob Weathers reported that he saw a large neon "W" on the front entrance of the Wisconsin Union and said that he would investigate the possibilities of having a large "I.U." neon sign for our Union. John Sparks made a motion to issue key cards to all Board members for their exclusive use of the Board Room. A second to the motion was made and after a brief discussion, Fred Pain tabled the motion.
