Union Board Meeting No. 11

The meeting was called to order at 7:00 P.M. by Jim Pauloski. Men absent were Lyman Smith and Dean Ashton.

The minutes of the last meeting were read and approved. A letter from Mrs. Wheeler was read. A letter from the Union at Cornell University was read explaining criticism concerning use of the funds.

A resolution made by Dean Ashton was seconded and passed:

In the death of Lawrence C. Wheeler on Sunday, November 9, 1952, the Indiana Union lost one of its most helpful and valued associates and friends. Lawrence Wheeler had served as a faithful and diligent member of the Union Board for several years and had been made a life member of the Union.

His associations with the Board were marked with a keen interest in all the problems and responsibilities which the Board had to face, and by the constant willingness to assume whatever responsibilities he could to assist in developing to their richest the latent possibilities of the Union as a center of student life and activity. In this respect he was in a sense still a student at heart and he was able to keep in mind the viewpoint of the young men with whom he was so constantly associated.

In tribute, therefore, to his faithful service and in happy memory of his years of association with the Union Board, we are here resolved that we note with great regret his passing, but rejoice in the contribution that he made to the University and especially to the Indiana Union.

New amendments for adoption should be brought to the next meeting. There will be no meeting on the 25th due to Thanksgiving vacation. There was discussion of a Board party with committee workers and chairmen. No action was taken.
