

President Jerry Montgomery called the meeting to order at 6:30 pm in the Union Board Room. The minutes were read and approved as corrected.

Executive Business - After November first the problem of more help in the Commons during rush hours will be again discussed. A financial report was given by Stan. The problems relating to the Pep Rallies was discussed, with Jack Dunfee presenting the problem from the point of view of IFC and other groups who seem to be directly concerned and connected with the rallies. These other groups of students are eager to see student spirit improved. Jerry ruled that any other group not directly connected with the Union be informed of the difficulties of promoting pep rallies and invited to work through the Student Spirit Division in channeling their enthusiasm and initiative. The Homecoming weekend and the responsibilities of the men on Union Board was outlined by Jerry Baer. Jim is to work hard on the Wednesday night dances in order to investigate what is needed to make them successful. It was decided that the Union would not buy shakers for the remaining football games. The Board voted not to book Blue Baron and the Crew Cuts for a pop concert.

Because of the lateness of the hour, further business was left until the Board met again on November 1, 1955. The meeting was adjourned at 9:10 pm.

Respectfully submitted,

Jerry B. Montgomery
