Culture - Letters have been sent to all departments asking them iff

Group Activities - the Modeling Clinic is starting Nov. 29th and

they would be interested in sponsoring exhibits in the building.

Many have responded favorably.

Personnel - Claudette outlined plans for the party tommorrow night. All Board members will be introduced at 9:00 pm. Please plan on being on hand for as long as possible. Personnel is building up a file of information on Unions all over the country.

Evaluation - We have not stuck to the agenda, and have digressed entirely too much; discussions seem to get out of hand and get too broad; we should stick to the point and to the division

reports.
