

President Jerry Montgomery called the meeting to order at 6:45 pm in the Board room. The Evaluation Report was read.

Executive Business-

Jerry presented Bob Bartlow of the Union Table Tennis Team who asked the Board about the possibility of purchasing 2 new tennis tables. It was felt that since IU is having tournaments in the spring that we definitely need the new equipment. The cost would be around \$109. The Board voted to do this and Bob will check on purchasing the two new tables.

In the way of further evaluation, the Vice-President suggested more definite jobs be assigned to his position; for example, the Training School. The President repeated Mr. Shaffer's idea of allowing more responsibility to chairmen and leaving the Board free to move ahead.

Stan gave a full financial report and then reported on those Junior Board Members who had been dropped.

Division Reports-

Public-Relations- The Housing Unit Representatives have been dropped. Letters are being written to all to explain. The Quiz Bowl Tournament starts in two weeks. Neil is working on the brochure to be sent out during the summer to incoming Freshmen.

Culture- The Hi-Fi set is finally being installed!

Special Events- Norm suggested having a Sadie Hawkins Day in the Spring, and he is working on plans for it now.

Personnel -All the Hours for last semester must be in by the end of the week so that they can be tabulated.

Student Spirit- Plans are being made for a card section for the Basketball games. It was suggested that the All Campus Pep Rally Committee be asked to work on this.

Publicity- A committee is being set up to work with Mr. Bartley to send out news releases all over the state about Union workers. There is a publicity file being set up so people next year can see all the methods the division used this year.

As there was no further business, the meeting was adjourned at 8:00 pm.

Respectfully submitted,
