

President Jerry Montgomery called the meeting to order at 6:35 pm in the Board Room. The minutes were read and approved.

All Board members are required to turn in an evaluation of those students whom they have worked with from among the group that has applied for Board. Also, the Board members will bring with them to the next meeting their money for the composite pictures that they have ordered.

Kathy Callon talked to the Board on behalf of the Crusade for Freedom. The project was again discussed and the Board decided that it would support and help develop an education program. The Board was not in favor of a mock meeting of the "Communist Party" that might turn into misunderstood humorous occasion. The whole project will have to be extremely carefully handled. A committee of Norm, Jim, Barbe, and Neil will report at the next Board meeting after talking to the steering committee about specific details.

Ed Friend presented a plan for the Union Personnel Party which has been changed to April 25th. Personnel suggested that they, in conjunction with the whole Board, put on a Street Dance that night after the party for the whole campus, to wind up the Union's activities for the year.

Next week we will know how the awards have been decided for the 50, 90, and 100 hour people.

As there was no further business, the meeting was adjourned at 8:15 pm.

Respectfully submitted,

Jerry B. Montgomery
