

President Jerry B. Montgomery called the meeting to order at 6:40 pm in the Board room. The minutes were read and approved.

All Board members will turn in the money they owe for the pictures or composite they have ordered, to Carol's office this week. Evaluation cards on those persons eligible for Board are to be in by Thursday. Sometime in the near future all Board members should decide how their budget has fit in with their program this year. Also, a brief but informative report should be turned in from each division, maximum 5 pages, deadline April 13. All hours must be in by April 13 for both semesters. This is the absolute deadline. Norm reported on the meeting with the Crusade for freedom steering committee. They would like to have help on their publicity through our services, a PA system for any meetings or programs they may have and would like to cooperate in selection of guest speakers for any lectures or panel discussions. Norm and Jim are going to meet again with this steering committee. Neil reported on the "Hours" committee. It was generally agreed that the new plan presented was pretty good, and that it should be put into effect and then work out the problems that may come up. The committee will go on working and try to have a feasible plan for the end of April, and then let the new Board decide anything final.

Division Reports -

P.R. - Next year we hope to have the Quiz Bowl on T.V.

Personnel - The party will be on April 11th, street dance following.

House and Student Faculty - There is an inventory going on of the Union's decorations. Housing units can use these things inside the Union building for their individual dances.

Student Spirit - We will probably have two more cheerleaders next year.

Publicity - The Board should appoint someone to take over this work.

As there was no further business, the meeting was adjourned at 7:40 pm.

Respectfully submitted,

Jerry B. Montgomery
