Board Meeting #3 4

President Neil Hinchman called the meeting to order at 6:45 P.M. with Marlene Chambers absent. The minutes were not read.

Executive Business ³ Neil reminded the members of their meetings with he and Carol.

Neil then introduced Mo Morrison and Bob Nelson who talked to us about purchasing two more boats. Reasons:

1. Beanblossom good place for meets but have to have 5 boats for regattis but we have only three.
2. Self supporting, club pays dues.
3. The cost that sailing club gives us is for traveling toward end of year.
4. Have place to put five boats by next fall.
5. Now have around 75 or 80 members.
6. We have no national representation in competition for national championship.
7. As soon as we get more boats we can have a regetta here which is good publicity for I.U.
8. The boats are around \$900 apiece but if we buy two they are only around \$1200.

Division Reports

Fall Carnival - Six of the 13 fall carnival advisory committees met today and approved the rules. Carolyn informed us that they would meet again soon. Many of the rules haven't been completed yet, such as the Bachelor of the Year contest. Carolyn was reminded that the Bachlor of the Year contest was only a drawing card and not a popularity contest. Neil suggested raising the admission price and then anyone in side could vote once. Jim Capeheart suggested using a voting tent. The board decided that we would have coed sponsors, we are also going to try to get some sort of rides for next year. The Carnival skits will have to be approved this year by one of the rules committees. There will be three meetings for the housing unit representatives on Fall Carnival.

Orientation Week Program - Mass meeting date was not set as yet. According to Glum Bucker only 1/3 of the students got to the Mass meeting. Suggestions for the Mass Meeting: have the meeting a week or so after school starts, each member tell about what their committees will be doing (about 3 minutes), each meeting be ended by a bell then change meetings, have a film on the union.

The summer meeting will be August 25th, and Neil urged all to attend.

As there was no further business, the meeting was adj urned at 8:45 P.M.

Respectfully submitted,
