

Board Meeting #14.

The meeting was called to order at 6:35 p.m. by Neil Hinchman, President. All chairmen when putting a display in the Union display window should leave a sketch of it in Sandy's box.

Neil then brought up the plans for the Regional Conference at the University of Illinois this weekend. There will be a meeting in the Faculty Lounge at the Illinois Union at 5:30 Friday for all presiding officers and discussion leaders of which we have three-- Barry Bergsman, Bob Neuman, and Jim Capehart. Neil then asked for volunteers for the discussion groups on Saturday. They are as follows: 9:00 a.m.--Organization of Union Boards ; Personnel System, Nancy Blaisdail; Communication, Carroll Greed and Neil Hinchman; Orientation Workshops, Yvonne Belcher; 10:30--Serving Special Interest Groups, Dick Lehman; Putting New Life in Ol Programs, Sandy Sallach; 1:30--What the Union Means to Me, Neil Hinchman; Town, Gown, and Me, Bob Neuman; Where Do We Grow From Here, Bob Shula. Carol said that the Indiana Union Members were to be hosts and hostesses and should meet in the Illinois Faculty Lounge Friday at 4:00 to meet delegates and see that they meet others.

Neil then announced that on December 6 there would be a Union Staff Meeting, and from now on this meeting will be held monthly on the first Thursday of the month. It would be student produced, arranged, and directed and held in the big auditorium. Jim Capehart--Publicity for Christmas Eve on Campus will start next week. Entertainment for this event will be provided by the MRC Glee Club, Hoosier Queens, and the Varsity Four. Norm Care's Orchestra will play. Also, Garner and Mulligan have sent their contracts back.

Bob Neuman--Cheerleaders Conference is Saturday. Five schools will participate this year.

Jim Platt--In reserving rooms for meetings and events from Mrs. Quinn, all chairmen must write out exactly what they want.

Sandy Sallach--All chairmen when putting a display in the Union display window should leave a sketch of it in Sandy's box.

Dick Lehman--Committee on New Projects talked to the Dames Club and married students about activities for them. They would like to have a Christmas party for the children on Tuesday, December 17. Since we have already planned a party for the children of the faculty for December 11, it would be possible to transfer that party to the 17th and combine the two groups. They would also like to have a dance some weekend in February, providing the Union would give free baby sitting service.

Neil stated that reports on all past functions should be turned in and Union hours should be tabulated, as the Awards Dinner is not too far in the future. He also remarked that all chairmen should remember to write thank you notes to their sub-chairmen after they have put on an event.

Bob Shula then introduced Norm Care to the Board. Norm has thought of an idea and has done much planning for and all campus Jazz review, which he would like to see started this year. It would be student produced, arranged, and directed and held in the big auditorium. He would like to include an 18-piece band composed of the top talent from the numerous campus bands, campus vocalists, and a few variety acts. The theme would be "The Portrayal of the Development of Jazz." If it was a successful event financially and otherwise, he would like to organize the group to tour the Big Ten universities. This would be mainly put on by the music students, but they need an organization to back them financially and in advertising and would like the Union to have this position. No definite decisions were decided upon, as the expense of such an affair would be a great one, as the musicians would like to be paid at least 40% of the intake.

Neil then brought up the problem of high school students causing vandalism on the campus, as well as coming into the Commons. No solution to this problem was reached.

The meeting was adjourned at 8:05 p.m.

Respectfully submitted,
