

The meeting was called to order at 4:15 p.m. by the president, Neil Hinchman. The minutes were read and approved.

Neil read a report and the recommendations made by a committee concerning Junior Union Board. Selection to this board will be done in the spring immediately following Union Board selection and election. Juniors and seniors will be excluded from membership.

Wally gave the Mardi Gras report, stating that expenses were approximately \$1,200. The publicity for the dance was ~~very poor~~ *under par*; the Union lost about \$1,000. The attendance for the dance was approximately 4000 couples--a drop of 300 couples from last year. It was recommended that commercials be given in the commons about every two hours in the future.
