

The Union Board and Union Staff had a picnic at Beanblossom. The picnic followed a tour of the Union Building, at which time the staff was introduced to the Board. Yvonne planned the picnic, which was a huge success, along with Mrs. Kilgore, who planned the tasty dinner.

The only order of business was that Barry Bergsman was elected as the ~~senior~~ board member to serve on selections for choosing one additional board member to take the place vacated by Dick Lehman. Their being no further business the meeting was adjourned.

After singing songs around the fire, the picnic broke up around 8:00p.m. Everyone had a wonderful time and the board wishes to thank all who made the picnic possible.

Respectfully submitted,

Ginny Sly, Secretary
