NANCY - The bachelor parade and rally last night was a success. The votes for the bachelor contest will be counted at 5:00pm tonight; one candidate has been disqualified already for illegal campaigning. Three additional candidates will be discussed by the steering committee for possible elimination, also because of illegal campaigning. The final voting will be from 6:00 - 9:00 Saturday at the carnival in the Fieldhouse. The Fall Carnival is Saturday from 6:00 - 11:00 pm. The housing units may construct their booths from 4:30pm Friday to 4:30pm Saturday. The Jitterbug contest and auction, sponsored by Phi Kappa Tau, will be Wednesday night in Alumni Hall.

BOB - RCA has offered to donate a 14" T.V. set to be used to the best advantage at Fall Carnival. He suggested using it as a grand prize for the Union Booth. The Board agreed to the plan.

SANA - Sana told the Board how she planned to inform the Union workers of the new method of recording their hours: 1. There will be a poster in the office containing an explanation. 2. The Daily Student will print an article. 3. A letter will be sent to committee chairmen so that they may inform their committee workers. 4. Junior Union Board will also be contacted and informed.

MARY - Mary reported on the Married Students' Halloween Party. All plans are being executed properly. Applications are open for a bowling team manager. Dave suggested to Mary that she investigate having a campus-wide bridge tournament.

JANE - Junior Union Board will meet next Thursday. They are participating in the Senate Leadership Program. In order to get the certificate of completion of the program, one must be present at 75% of the meetings. Attendance at these meetings is required of Junior Board, since the Union is paying for their participation in the program.

Ann Bouillett is general chairman for the Union Brochure. Nancy Mentendiek and Marge McConnell are on the steering committee.

GINNY - The blazers that were turned in last week have been monogrammed. Anyone who has not had their blazer re-monogrammed, please

take it to Blocks immediately. Everyone should wear their blazer to the Fall Carnival Saturday pm.

MARTY - Vaudeville Varieties was a success according to Phyd Keller. The paid attendance was 377. The Delta Upsilon combo was the winner. The Opening of Formal Steering Committee has been chosen: General Chairman - Dave Mikesell; Publicity- Buffy Cohen; Decorations - Bob Hess; Tickets - Nancy Scott; Programs and Invitations - Mary Richardson; and Arrangements - Carl Goltart. The committee has met once, at which time they decided on a Swiss Alps theme.

SANDY - She asked Sana and Mary to give their news to Ed Friend.

MIKE - Mike is contemplating asking statistics majors to help on the research questionnaires.

JIM - Some Board Members have not yet paid for their blazers. Do this immediately.

Decide which Federal Health show you are attending and tell Jim of your decision.

If any Board member would like to have articles published in the Bulletin of College Unions, tell Jim.

In the past the Union has not been too successful in having activities which involve faculty help and advice. Perhaps the best solution would be to ask their advice for different activities; thus, he asked the board to think about the activities that would merit faculty assistance. There is a file in the office of faculty members and the activities in which they are interested.

Jim is compiling attendance records at the end of each event so that an exact record will be available. This should be helpful in making the activity more of a success in the future. Check with Jim after each event to see if the attendance he has recorded is correct.

Mr. Jordan, the decorator at Bradens has offered his time, equipment, and artistic ability for Union dances, etc. Mr. Jordan will give the Board more detailed information at a later date.

The Hi Fi hours have been drawing a crowd of approximately 50 or 60 people. The thing is

BOB - Bob was disappointed at the attendance at the coffee hour

after the game last Saturday. Please show more interest in this function in the future.

There being no further business, the meeting was adjourned at 5:20.

Respectfully submitted,
