Union Board Meeting #16

The meeting was called to order by the president, Bob Shula. The minutes were read and approved.

Bob introduced to the Board, Mr. Brownley, who is the Union program director at Marquette University.

The president then gave the Board directions for the Regional Conference which begins this Friday.

SANA - Sana gave the Board details on the Travel Bureau. The chairman has arranged for a 25% discount when a group of students go by the Monon. The train station has asked the Union to sell tickets to the students at a discount rate, which would also enable the Union to make a profit. The tickets would be sold at the Reservations Desk in the lobby. There was a motion to give a conditional approval of this plan. It was seconded and voted upon; the motion passed.

Bob assigned Barry the project of inviting faculty members to our meetings.

MARY - Mary asked the Board's approval of certain regulations to be followed pertaining to table tennis. The Board passed these rules. Mr. Jordan asked Mary to make up similar rules for shuffleboard. Mary then submitted some ideas on the bowling team. These ideas were not read for approval but merely to acquaint the Board with possible bowling regulations.

DAVE - There is an exhibit of eight pictures from Thailand, which were taken from the Art Center. These are displayed to help further the Art Center display.

The exhibit of Christmas ideas will be displayed until vacation in the Whittenberger Lounge.

Christmas decorations are being put up at this time.

The Fine Arts Festival Steering Committee will meet for the first time tomorrow night.

MARTY - Everything is progressing fine for Opening of Formal.

Sailing Club has asked Marty if they can take over the Mardi Gras dance. He told them to submit some definite plans to him and to the Board before this responsibility will be delegated to them.

NANCY - Christmas Eve on Campus is Wednesday, December 18. Al Cobine will play for the dance. It is indefinite whether H. B. Wells will be here to play his traditional role as Santa Claus because of his obligations at the United Nations.

The Madrigal Singers and the Varsity Four, from the Singing Hoosiers, will be a part of the program.

MIKE - The Big Ten Cheerleading Conference is Saturday, December 7. Unless this project is a success this year, the continuation of it is rather nebulous.

The Sampling project is underway and the questionnaire is being planned. Professional assistance is being used.

The Union Voice is out and the next issue will be published before Christmas vacation.

JANE - The trial run for Quiz Bowl is January 15. Jane asked for Junior Union Board suggestions.

SANDY - Sandy brought up the idea of sending someone to the Card Section Conference which is being sponsored by Illinois and Purdue. Carol Schelling, past chairman of the card section, has offered to go to this Conference. There was a motion to ammend the vote taken last week concerning our interest in the Conference. Motion passed. Thursday, a letter will be sent to Purdue stating our interest in the Conference.

Mr. Jordan thanked the Board for their cooperation at the Union Board Reunion Banquet.

There being no further business the meeting was adjourned.

Respectfully submitted,

Ginny Sly, Secretary

Bob Shula, President
