Union Board Meeting #28

The meeting was called to order by the president, Bob Shula. The Minutes were read and approved.

University treasure

Bob introduced Don Clarke, assistant to the President.

Ginny reported on the Miss Indiana University Pageant, and suggested to the Board that they reconsider the idea of ~~having~~ such a contest because of several reasons: 1) It would cost about \$150.00 and there is no money. 2) The new Board would be in control before the contest was to be held. 3) The contest may have a bad psychological effect on the students since it is so late in the year and would be right after the intense campaign for the Most Useless Man of the Year. Discussion was held. It was decided to choose a queen from our current campus queens if we can finance it.

Jim asked that we have a general discussion period. We discussed first how we could best orient the new Board:

1. The new Board should talk to Jim, Mr. Jordan, and Bob about such things as the finance set-up, how to make requisitions, the Union professional staff, the Union Policy of operation, etc. Then meet with the old Board members who have their entire division programs outlined, making these reports very complete and exact. And before the close of the semester, have a tour of the building.
2. Study the constitution.
3. In the reports show the loop holes too.
4. Have the new Board decide on their division titles before talking to the new Board and before getting their assignments.
5. Be sure they have a complete scope of all the divisions.
6. It may be better not to have them sit in on an old Board member's meeting.
7. Have a summer retreat.
8. Conduct a case study that would be applicable to many situations.

DAVE - The Student Travel Committee is now under the Student Senate's jurisdiction. Bob Shula will be the M.C. opening night for the Festival of Arts.

MARY - Our chess team won a trophy by defeating Purdue.
Jerry Pollack will sit on Board while Mary is student teaching.

NANCY - The Easter Parade is tomorrow night.

MIKE - There are several problems with the sampling project. Since there were numerous erroneous names on the ~~survey sheets~~ *red book*, Mike suggested to use representative people the next time so that the results will be scientifically significant.

JANE - Junior Union Board will have their last meeting next week.

SANDY - Sandy asked if we were interested in placing an advertisement in the Spring Sing program. The cost is \$25.00 for $\frac{1}{2}$ page and \$50.00 for a whole page. It was voted not to advertise in this program.

There being no further business the meeting was adjourned.

Respectfully submitted,

Ginny Sly, Secretary

Bob Shula, President
