Union Board Meeting #4

Mike Moss called the meeting to order at 4:30 p.m. Dee Benko read the minutes from the last meeting. They were corrected and then approved.

Mary Jo Nichols, Jim's new secretary, was introduced to the Board.

Mike then introduced Mr. Wood from the "Eclectic" magazine staff. Mr. Wood discussed the aims of the magazine and stated what the general content of the magazine would be: 1. Articles presenting student opinions regarding the administration and faculty. 2. Reflections of faculty and staff members. 3. Student's literary works. 4. Comprehensive summaries of significant lectures and meetings and 5. Short papers on various subjects. Mr. Wood asked the Board to consider backing Eclectic magazine financially. Financial backing would involve about \$4,000 with the understanding that at least half would be returned through sales and advertising. No action was taken by the Board at this time.

At this point each Union Board member was asked to make a report on the progress thus far with their various activities.

Jerry Pollock told the Board the the interviews for Junior Union Board were set for Wednesday, May 14th. In order to be eligible students must have 50 hours of Union work, a 1.4 average and either freshman or sophomore standing at this time. Out of the group of applicants, 12 will be chosen.

The publicity committee reported on their ideas for the clinic. These included suggestions for different events, experts to talk to Board, promotion of activities as a whole. In a few weeks the committee will present application forms to the Board.

Jim Lyons announced that card playing in the Commons will be limited when the cafeteria line is open. Discussion was held as to what to ask students to give in return for playing cards---i.e. I.D. card or a small fee which would be returned when the cards are returned.

Jim also distributed copies of the Union policies for Union Board use. Jim will take Board members on a tour of the Union Building on Monday at 3:00 p.m.

Various Board members designated which of their functions now have open applications.

133
Jundy Hinds announced her steering committee for Fall Carnival. Discussion arose as to one member not being qualified. The Board felt that in order to remove someone's name from a steering committee there must be majority vote to this effect. In this case, the majority did not so vote. Therefore, the Fall Carnival Steering Committee for next Fall is as follows:

General Chairman, - Buffy Cohen
Secretary - Suzie Eberhart
Publicity - Steve Cohen and Ky Kyger
Raffle Booth and Tickets - Ed Showalter
Construction - Paul Hiatt
Programs and Concessions - Barbara Soloaroo
Judging and Awards - Bob Cochran
Bachelor of the Year - Pete Sherman

Dee Benko announced the Bachelor of the Year Steering Committee as:

Bachelor Parade - Mac Busby
Bachelor Stage - Suzie Stuart
Promotion - Cathy Tipton
Voting - Bill Vititoe
Prizes - Mary Conrad

Jim has sent applications to each counselor in the dorms stating that we choose our steering committees from those who apply. This was done to make sure that there was no misunderstanding of our methods.

Harriet Burgheim suggested that we try to make the Turtle Derby a part of Fall Carnival so that all money for charity might be raised at one time. This idea was not accepted by the Board.

Dave Klemm suggested that the Union booth be in a better location this year for Fall Carnival.

Since 4 or 5 members must take a business law exam next week at 4:00 p.m. It was moved to have a supper meeting in the Marine Room at 5:30.

The meeting was adjourned at 6:25 p.m.

Respectfully submitted,

Dee Benko
