body are as follows: Bill Tanner, junior; Judi Clabaugh, Pat Aho, Ann Conner, and Dick Young, sophmores; and Judy McCorkel, Freshman.

Jerry and Mike will attend the Student Senate meeting Thursday night when the card section bill will be appealed. They will appeal that members of the card section receive a special card which will be stamped each time they participate in the card section in a football game. Only those students who attend every football game and participate in card section performances will be eligible for the reserved section during basketball games. This reserved section will be opened to all students five minutes before the basketball games if it is not completely filled. Mr. Jordan, Dean Shaffer, and Dr. Lusk suggested that Dee suggest to Claude Rich, the Alumni secretary, to speak with the ticket manager. Also, the following are the proposed scheduled dates for the Homecoming Queen events:

Saturday, October 11th - introductory letters and application mailed to female housing units
Friday, October 24th - application due at 5:00 p.m. at the Program Co-ordinator's office

Mike suggested that the Board should formulate a positive plan of the students position of keys for the Union Building. When a key is issued to a student after payment, the key is not called upon the student's graduation. Don moved that all keys issued to any student must be turned in at the termination of his active period in the organization. It was then amended to read: penalties for violation will be pended by the Dean of Students.

The problem arose of the planning for the children's parties since the Board receives limited assistance from the married couples in the planning. It was suggested that the Board and the married couples each should do one-half of the work.
