Union Board Meeting #15

The Union Board meeting was called to order at 4:35 p.m. by the President, Mike Moss.

The Recommendation Committee, consisting of Judy Hinds, Jerry Kabelin, Dave Klemm, and Dee Benko - the chairman, will give a report at the next meeting about the Bachelor of the Year Contest.

A discussion was held pertaining to the purchase of a sixteen mm. projector and attachments for a retail price of \$429.00. A few of the events which might use the projector are: the Craft Club, the Sailing Club, and the Sports Car Club. Jerry Birge will report next week to the Board about the Camera Club's thoughts about operating the projector.

Mike distributed the Union Board budget sheets for the fiscal year of 1958-59. Jim Lyons explained the budget. It was moved and seconded that the Board budget be accepted.

Nancy Meyer, the Board's I.D.S. reporter, is the new Women's Page Editor for the newspaper. She requested a written character sketch from each Board member.

Judy Hinds read a letter from the Student Government Scholarship Information Service. The letter requested a four by four foot bulletin board concerning information about scholarships and loans for undergraduate and graduate students. All the various schools and the Scholarship Office will contribute information for the bulletin board. Also, all notices of available jobs on campus and downtown Bloomington will be posted. The discussion was tabled until the next meeting.

Jerry Pollock reported that the Junior Union Board went on a tour through our new Union wing. Mr. Jordan suggested that the Junior Board be informed of our Craft Shop.

The Union Voice's second issue will be distributed on December 1st. Bob Evert is the reporters' chairman.

A discussion was held about the Golden Anniversary Brochure. Some of the suggestions for the contents are as follows:

1. Union Building's past history
2. All former U.B. members in alphabetical order
3. Outstanding events of U.B.
4. Plans of the new Union Building

There being no further Board business, the meeting was adjourned at 6:25 p.m.
