Union Board Meeting #31

The Board meeting was called to order by the president, Mike Moss, at 4:31 p.m.

There were only three Board reports not given to Mike.

There was not report about the orientation program. The old Board members will not be present at the new Board's meeting next week.

DISCUSSION

It was moved to have a Union Board representative at the Lake Chamber of Commerce meetings.

The problem was presented of the Union's importance to to other students.

1. It was suggested that perhaps the Union could save money by dropping some of the least important activities and then have a big dance pool. The pool could provide a top named band and could be a free dance, because of a carry-over budget from the dropped activities.
2. There should be more emphasis on the culture field.

The suggestions for Union Board election publicity were:

1. Because this year's election has turned into a "dog eat dog" campaign, perhaps it would be better to have all Board members selected.
2. If there is to be an election, there should be enforced definite campaign rules.

Mike closed the meeting by stating that as serving in the president's capacity, he has found Union Board to be rewarding, stimulating, and educational.

There being no further Union Board business, the last meeting of the 1958-59 Board was adjourned at 5:35 p.m.

Respectfully submitted,

Dee Benko
