

Gail Cassen gave a progress report on the Festival of Arts. She described the programs and exhibits that will be featured and listed some of the lectures to be held.

Suggestions were made for the selection committee--that candidates have a central place to call and find out who was selected. It was also suggested that a personal interview be held between the President and each new member before the divisions are assigned. It was felt that each old Board Member should have an interview with his successor. Board Members thought the perhaps we were given too much printed material during the course of our term. It was mentioned that Jim Lyons and Mr. Jordan could give a resume of the financial part of the Union.

Jim Lyons said that a problem is existing with the renting of the Frangipani Room to outside groups. These groups have had alcoholic beverages at their dances. It was suggested that, if organizations are found to be violating University regulations, their names should be turned over to the Dean of Students. It was decided that our responsibility is to the decorum of the building and to the University regulations, but we cannot punish in fractions.

Jim also mentioned a problem of misuse of the guest room area. He asked for any possible suggestions from the Board Members.

Don asked for suggestions for the names of new lounges in the Union.

The meeting was adjourned.

Union Board Meeting #28

The meeting was called to order by the President, Don Johnson, at 5:30 P.M. in the Union Board Room. Gail Cassen and Mike Dann were not present.

Don Johnson made several announcements. He said that both the new and the old Union Boards are invited to the luncheon in the Georgian Room, Saturday, April 9. An open house and reception will follow the luncheon.

Jerry Kabelin gave a progress report on the Big Ten Union Board Conference.

Don said that the HPER Department has asked permission of the Union to use the terrace as a place to have dance instruction classes. Jerry Kabelin made a motion that we have dancing on the terrace. It was defeated.

Judy Hinds led a discussion on our award system. It was suggested that:

- (1) We have an awards plaque be made instead of having the banquet
- (2) A reception for honoring those to be recognized
- (3) A leadership seminar
- (4) Graduated levels of recognition

Judy Barrett proposed that we award a certificate to people with 50 hours at a reception and a key to people with 100 hours at a banquet. Pete Sherman made a motion that we give these suggestions to the incoming Board for consideration.

Don Johnson reported that April 7 will be the date for the election of two members to Union Board. It was suggested:

- (1) Qualifications be listed on the posters
- (2) That candidates speak at various housing units
- (3) Quality advertising
- (4) Not to make any promises or commitments
- (5) Encourage applicants to work together

We discussed possible changing of the date for Fall Carnival next year. The date for Fall Carnival was changed to November 12.

There being no further business, the meeting was adjourned.
