Union Board Meeting #4

The meeting was called to order by the President, Ray Muston, at 3:30 P.M. in the Union Board Room.

The first item of business discussed was the possibility of getting a big name band for Opening of Formal. Bob Hanning thought that this change is necessary in order to draw people to the dance. Bob requested that his budget be raised from \$1,100 to \$1,500 in order to cover this expense. It was felt by the Board members that people come to the dance because it is a tradition and because of the elegance of the dance, not because of the band. Jim Campbell asked for possible suggestions for bands. The following bands were suggested:

Buddy Morrow
Lester Lanin
Sauter Finnegan
Ray Anthony
Duke Ellington
Richard Maltby
Kay Winding

Bob Hanning made the motion that Union Board give to Jim Campbell and to himself bargaining power to investigate the possibilities of getting the best band at a reasonable price in order to break even. The motion was seconded by Marilyn Mignin. It was voted on and passed unanimously.

After a brief discussion of the Open House and Activities Night, Marilyn submitted the following steering Committee for the Board's approval:

General Chairman	Steve Moberly
Auditorium Presentations Chairman	Tom Huston
General Secretary	Martha Byrum
Union Hospitality & Tours Chairman	Connie Skidmore
Exhibits Chairman	Jim Greenlee
Promotion Chairman	Sandra Piatt
Interview Chairman	Christy Clements
Social Arrangements Chairman	Sandy Schultze

Marilyn Mignin made a motion that the Steering Committee be approved as submitted. The motion was seconded, voted on and passed.

Dan Noble was suggested by the YW-YMCA for the position of Chairman of Campus Chest. A motion was made that Union Board approve Dan Noble as Chairman of Campus Chest. The motion was duly seconded, voted on and passed. Pam Menke, due to unforeseen circumstances, has had to resign from her position as Publicity Chairman for Fall Carnival. This committee will coordinate all publicity for Fall Carnival, Bachelor of the Year, and Campus Chest, thus the person for the position must have had some publicity experience and must be a dependable worker. The only person discussed as a possibility was Sue McHugh. Norm made a motion that, since there are no more Board meetings, Executive Council approve his selection for this position when it is made. Babs Freeland seconded the motion; it was voted on and passed.

Babs Freeland told the Board that there are now seven Union Sponsored clubs and it is hoped that several more can be started soon. Babs suggested the possibility of having a Rifle Club. In planning this, the Union would work with the University Army and Air Force Departments. There is a rifle range under the Bowling Alley which the Club could use. The membership fees would be \$1.50 and the club would be open to both girls and boys. Babs also suggested the possibility of having a Folk Dancing Club instead of just a Folk Dancing night. By making the group a club, they could buy records from dues and have their own room in the Union. Bill Seng made a motion that Babs be given approval by the Union Board to work on the details of these clubs. The motion was seconded by Ann Levenstein. It was voted on and passed. Babs also requested that the dues of the Radio Club and Camera Club be raised from \$1.50 to \$2.00. This was put in the form of a motion by Ann Levenstein and was seconded by Bob Hanning. It was voted on and passed.

Ray reminded all who have not handed in their budgets that they are to be in Monday.

There will be two summer Open Houses. The first one will be for summer students at the beginning of Summer School. The second will be during Pre-Orientation Week. The date of the latter Open House will be posted in the Union Board office this week.

All Board members are to leave their summer addresses with Katharine in the Union Board office. The addresses are needed since Union Board business letters will be sent out each week this summer.

Ray asked for progress reports from each area:

Special Service - Norm said that Fall Carnival is going very well. Letters to all housing units will be sent out this week-end. A Fall Carnival handbook will be compiled this summer. Some sort of animated character will be used as the theme of the Carnival this year. Sketches for this are being done now.

University Service - Jan is sending letters out to all Indiana High Schools this week to tell them about the Cheerleaders Conference next Fall. She will send out a reminder letter in September. The Usher Corps is being taken over by the Student Athletic Board. Jan said she is now working on a plan to reorganize the Hospitality Corps.

Recreation - Terry said he has someone in mind for General Chairman of Recreation Council and he will make the selection next fall. However, Don Oden suggested choosing the General Chairman before school is finished so the chairman could work on ideas for Recreation Council this summer. Terry said that he will open applications now and made a motion that Executive Council, instead of Union Board, approve his selection. The motion was seconded by Norm Traeger. It was voted on and passed.

Publicity and Public Relations - Marilyn is considering Bonnie Blakely for General Chairman of the Union Radio Show. Marilyn is working on the Union brochure now.

Cultural - Ann is working on brochures for the Flashback and Matinee Film Series. She is also considering having coffee hours with faculty members to replace the Last Lecture Series.

Program - Tom reported to the Board that the first Pop concert contract has been signed. In connection with the safety Council, Tom suggested that they have a budget since they do need to buy various things. Tom asked the Board to consider if we should continue the Awards Banquet and, if so, should it be revised. Also, we should consider possible ways of revising the hours system.

House - Ann said that everything is going smoothly in her area. She is working on The Ride Board now.

Social - Bob presented the First Fling Steering Committee which read as follows:

General Chairman	Bonnie Blakely
General Secretary	NANCy Baumgartner
Ticket Chairman	John Biddinger
Publicity Chairman.....	Lynn Block
Decorations Chairman.....	Linda Kallenbach
Entertainment Chairman.....	Bill Briggs
Arrangments Chairman.....	Jim Riddet

He asked the Union Board to approve this Steering Committee. This was put in the form of a motion by Jan Coffey and was seconded by Bill Seng. It was voted on and passed.

There being no further business, a motion to adjourn was made and seconded.

Respectfully submitted,

Cathy Krause, Secretary

The meeting was called to order by the President, Ray Muston, at 3:30 P.M. in the Union Board Room.
