Penetration - Marilyn Mignin reported that the production end of the program is going quite well. There has been some difficulty in getting people to appear on the programs and finding suitable topics for discussion. The topics used thus far have been the Nixon-Kennedy Debate, "Is the College Girl Shallow", and "Immature?", and "The Value of Student Government. Marilyn said that it was felt the program needed publicizing. She has spoken to members of Alpha Delta Sigma, the Advertising Honorary, about the possibility of their promoting Penetration as a group project. Marilyn made a motion that funds be allotted from the Union Board budget to pay for the advertising of Penetration; the amount of the funds to be left to the discretion of Jim Campbell and Marilyn Mignin. The motion was seconded by Bob Hanning. It was voted on and passed.

Evaluation Session - A discussion was held to evaluate individual areas as correlated to the Board as a whole. Areas discussed were Pop Concerts and Fall Carnival. The Board members as a group were asked to give reasons why these programs are worthwhile and why they should exist. The point was made that one of the objectives of Union Board is to reflect the desires and wants of the students through the programs offered by the Union.

It was voted on and passed. Norm read a letter from the Fall Carnival Steering Committee requesting that one-half of the expenses for the Union, Fall Carnival Homecoming Float come from the Union Board budget.
