

## COMMUNIQUE MR. LYONS CONCERNING THE CARD SECTION

1. I would suggest we react to Mr. Dro's Card Section letter #2 as follows:

- 1) Approve Steering Committees and General Chairmen on individual Board
- 2) Represent this proposal agenda:
- 3) Perogative to challenge each Board member.
  - a. How they
  - b. How they

a) Have S.A.B. enumerate and comment upon the problems they have had regarding Card Section.

2. EVALUATION AND Section management.

- 1) The evaluation of proposals but be careful not to render any opinions--just conduct an honest open discussion which explores consequences of various courses of action they propose.
- 2) The committee draw up, in writing, a set of specific proposals for management of the Card Section.
- 3) Adjourn the meeting to take back specific proposals to each Board, U.B. and S.A.B.

### 2) Conduct of Meeting:

- a) At no time should any U.B. member offer an opinion which could be contrived as committing the U.B. for announcements that any Board member would care to make. SEE ATTACHED
- b) The Union Board President should preside at the meeting.
- c) The meeting should not be called until they (S.A.B.) have accepted your offer to call such a meeting.
- d) Attendance should be limited to 3 U.B. members and 3 S.A.B. members, one of whom should be Card Section Chairman and another a "working" row captain. This would be necessary to get "honest" discussion in problems. You also might consider inviting I.D.S. reporter.
- e) Meeting should be limited to students as this, at this time, is a student problem; i.e. no advisors.
