

Opening of Formal - Bob Hanning reported that the dance was very successful socially but not financially. The loss incurred by the dance was around \$500. It was questioned if it is worth the loss we took to present this type of evening. It was the consensus of opinion that the campus does want and need a dance of this sort. Bill Seng made a motion that in view of the intangible success of Opening of Formal, Union Board should hold it again next year. The motion was seconded by Bob Hanning. It was voted on and passed.

Christmas Eve on Campus - Babs Freeland gave a brief outline of the order of the events of the evening. The dance will begin at 8:00 P.M., and the first intermission will be held at 9:15 P.M. At this time entertainment will be provided by Peggy Dickens and Towers Center. The second intermission will be at 10:10 P.M. and at this time President Wells will crown the Arbutus Queen. In addition, Jim Russ will present President Wells with a check from Fall Carnival. President Wells, in turn, will present this to the Chairman of COPE. An advertisement for Christmas Eve will appear in Wednesday's Daily Student and signs will be placed on campus. Cooperation between the YWCA-YMCA and the Union was discussed. It was suggested that plans be started soon to Coordinate Chimes of Christmas and Christmas Eve on Campus for next year.

OLD BUSINESS

Discussion of the Foreign Student Program - Ann Fletchall told the Board that she and Mr. Campbell met with representatives from the YWCA, YMCA, Panhellenic, I.F.C. and with Dr. Burnham concerning Foreign Student programs. Last Wednesday night there was an exchange dinner for foreign students at the Tau Kappa Epsilon House. The Union will continue working on exchange dinners until I.F.C. is ready to take over sponsorship of them. Suggestions for the Foreign Students program included having foreign students give programs concerning their countries, having a Foreign Arts or Culture Day in connection with Festival of Arts, serving foreign dishes at a dinner in connection with LUNA, and having foreign students entertain at Club Frangipani. The Board agreed to put its wholehearted support behind Ann in whatever she wishes to do with the Foreign Student program.

Money for Retreat - Ray Muston reminded the Board members to pay \$3.50 to Katharine for the Retreat.

There being no further business, the meeting was adjourned.

Recognition Banquet Awards - Tom Smallwood told the Board that he met with Mr. Campbell and they found two possible awards, a keychain and a paperweight. Tom made a motion that Union Board present the keychain for the 50 hour award and the paperweight for the 100 hour award, if the price is not prohibitive. If such is the case, a certificate would be presented for the 50 hour award and the paperweight for the 100 hour award. The motion was seconded by Bob Hanning. It was voted on and passed. Mr. Jordan suggested that the same dye be used for both the keychain and paperweight. It was decided that the decisions made at the Union Board Retreat will apply to this year's banquet which will be held February 12.

Globe - Bill Seng reported that he priced four globes and they ranged in price from \$39.00 to \$85.00. Bill recommended that Union Board drop the idea of purchasing a globe and let one of the graduating classes give the globe as a gift since Union Board always gives an art piece to the Union's collection. Babs Freeland made a motion that Union Board accept Bill's recommendation. The motion was seconded by Ann Fletchall. It was voted on and passed.

Evaluation of Christmas Eve - Union Board definitely felt that this event should be continued next year. Recommendations for next year included having only one intermission and only one choral group or eliminating the choral group entirely. Tom Smallwood suggested that Christmas Eve be held on a Friday night rather than a Wednesday night. The motion was made that Union Board recommend that Christmas Eve be held on a weekend and that Union Board work for cooperation between YMCA-YMCA and Union on Christmas Eve and Chimes of Christmas. The motion was seconded by Marilyn Mignin. It was voted on and passed. Mr. Lyons suggested that Union Board's Christmas Cards next year include an invitation to Christmas Eve on Campus.

Club Frangipani - Bob Hanning asked that Union Board approve the replacement of Jerry Udell by Jerry Kohn for Program Co-chairman for Club Frangipani. The change was approved by Board.

Sailing Club - Babs Freeland announced that Ray Gran is the new Commodore of the Sailing Club.

There being no further business, the meeting was adjourned.

Dear Counselor:

FROM

You must act before January 9th if you want your unit represented on a nationwide TV show! The structure of the Indiana Memorial Union Campus Quiz Bowl has undergone a complete revision due to the scheduling of Indiana University to appear on the G.E. College Bowl on Sunday, March 12. Therefore instead of the Quiz Bowl running from April 1 to April 27 as originally scheduled the contest will be held starting February 2 to March 1.

11-15 The manner of organizing the Quiz Bowl this year will be to direct the preparation of contestants toward participation in the G.E. College Bowl. Therefore, each team will consist of FOUR persons and only the first thirty-two teams who apply will be accepted. The team applications may be turned in any time after 8:00 A.M., January 9. It is imperative that when you turn in your team application that the members of your team be listed and also you must remember that only undergraduate students are eligible for participation.

8-12 1,795 Total 38,105
Since the team representing Indiana University will be composed of students who have competed in the Campus Quiz, we are using the format of the G.E. College Bowl. You must understand because we do want the best students representing the University that it might work out the team who wins the Campus Quiz Bowl will not necessarily represent the University, but a member of that team might join members of other teams to represent Indiana University. To select the team we will be using a committee of faculty members who will observe all Campus Quiz Bowl programs. Each of these faculty members will receive in advance a brief history of your representatives. This will enable them to make a much more intelligent choice along with observing your members.

21-25 Just as review, the College Bowl is an inter-collegiate game designed to test the ability of students to recall facts. Each week two colleges present teams of four "Varsity Scholars" each. They are asked questions drawn from such fields as American and European History; American, English, and European Literature; philosophy; Science; Current Affairs; Music; Mythology; the Bible. The questions have announced point ratings and the team with the greater number of points is the winner.

10-22 As an added incentive to Campus Quiz Bowl the last five rounds will be televised each Wednesday at 2:30 P.M. over WTTV, Channel 4. Let us re-emphasize a few elements of this year's Campus Quiz Bowl. The first thirty-two teams to be submitted to the Union Board, in person, will be the only teams competing. It is essential that each team be composed of the best well-rounded scholars of your area. A faculty committee will select four members from the competing teams to represent Indiana University. The members besides having a specialized academic interest should have a diversified enough background to answer questions from some of the above listed areas.

23-27
Once again the Colonel Shoemaker Challenge trophy will be awarded to the winning team. To participate, return in person, the enclosed entry form to the Union Board Office, Room 30, Union Building, any time after 8:00 A.M., January 9, 1961.
