

Theater in the Round: Dick Siever suggested that we have this activity for those people who are interested in the theater, but are just amateurs, and not those who are majoring in it. Perhaps one-act plays could be given. This program has been initiated at Northern Illinois and has proved successful. Mike Cornfeld suggested that we make this a club. Jerry Sparks moved that we table the discussion until we have more information on the subject. The motion was seconded and passed.

Communications: Ray has talked to Ken Barker, and they are going to keep the list of governors up to date. This will be done within the next two weeks.

Art Salon: Mike Cornfeld said that last year's Board guaranteed the prizes for the Art Salon. The amount was \$125, only to be given if there were no donors. Last year there were donors. Mike moved that Board guarantee the \$125 again this year. The motion was seconded and passed.

New Programs: Herb Reinhard encouraged Board to think of new programs. He said that we should do something for the special interests since we use everyone's money. We should do more than giving new twists to programs that are old. He also said that there would be nothing wrong with having a small program, rather than something on a large scale. He challenged Board to think of new programs. Priscilla will go through the Union Board applications and make a list of suggestions that were made. Mike suggested that we put an article in the paper asking the students for their suggestions. We could also have a questionnaire.

The meeting was adjourned at 7:05 P.M.

Union Board Meeting #24

The meeting was called to order by the President Dave Gibson at 6:00 P.M. in the Cafeteria. Members absent were Bill Butz.

The minutes of the previous meeting were approved as read.

Pop Premieres: Ginny White said that there will be a concert this Saturday, at 8:00 P.M. The publicity for her event fell through around final week. However, publicity work is now being done. Flyers have been sent to the music and art departments. Tickets will be sold from 3-5 in the booth, and 29 have been sold, to date. Announcements will be made at the fraternity and sorority houses on Wednesday. Robin Shore has been moved up to the position of general chairman since the old one has transferred.

Solarium Dance: Priscilla Logan said that the only available date was April 4, and she has reserved the Solarium for that Saturday, from 2:30 P.M. until 12:00 midnight. She suggested that we have an open house and send special invitations to those people who have participated in Union activities. We would also have publicity in the Student. She said that this event would be combining the Valentine Party we were going to have. It was felt that we might have a free dance instead of an open house. It seemed to be the opinion of Board that there would be no drawing card with having just an open house. Sue Holliday, Sherry Mervis, Sue Wagner, and Steve Pohl will meet to come up with some concrete ideas.

Wells" Award: Other nominations were given for the two juniors who are to sit in on the committee that decided to whom the award will go. Pat Miller and Biyl Vukovitch were elected.

Theater in the Round: Mike Cornfeld thought it would be a good idea to put an article in the paper asking for suggestions of new activities for small interest groups, and then plan from there. Mike said that he would be willing to write the article. Sue Holliday suggested having an ad so that the editors could not change our wording. It would also be possible to send a questionnaire to the houses, but it would take a long time to determine the results. Mike moved that we write a small ad, saying that we are interested in sponsoring any special interest activities which could be sponsored by the Union. The motion was seconded and passed.

New Programs: Priscilla read off a short list of suggestions which she found in old applications. Dick Siever suggested that we might do something for transfer students. Another suggestion was to have a sheet music library. It was also suggested that the Union sponsor trips of various sorts. The last suggestion was to have a bus going to and from Brown County. Ray will check into this.

Dance Committee: Priscilla said that we will again have dancing in the Commons every Friday and Saturday night until 12:00. The juke box will supply the music but once in a while there will be a band. Mike said that he would make two signs publicizing this.

Newsletter: The newsletter will be run by Union Board. Priscilla asked various members of Board to turn in the articles covering their activities. The articles will be due at the next meeting.

SEnior Recognition Award: Jerry Sparks felt that if the voting between the three people nominated was close, we should give it to the top two people. Then Jerry moved that we give the award to all three people. The motion was seconded and passed.

Easter Parade: Sherry Mervis said that the response from her steering committee has been good. This year the dance will have a different name. Sherry moved that the dance be a free one. The motion was seconded. Dick asked to amend the motion, saying that we allocate \$50.00 for a band. Sherry restated her motion. It was seconded and passed. This year we are going to try to get the married people to come to the dance. Therefore, it will begin at 8:00 P.M. Cartoons will be shown in Whittenberger Auditorium so that the people who come will have a place to leave their children. A contest will be sponsored to have someone think of a new name for the dance, and a prize will be awarded. We are trying to get the name. The date of the dance is Friday, March 13.

Quiz Bowl: Sue Holliday said that the first match will be tomorrow at 7:00. February 27 is the date for the final match. It is hoped that all Board members will attend the matches, particularly the final one. Thirty-two teams have been selected by means of the elimination test which was given on February 10. There were only five women teams.

The meeting was adjourned at 7:15 P.M.

Union Board Meeting #25

The meeting was called to order by the President Dave Gibson at 6:00 P.M. in the Cafeteria. All members were present.

The minutes of the previous meeting were approved as corrected.

Equipment Fund: Sue Holliday said that there would be four lecturers during the year. The Town Hall program to be given would be similar to that put on by the Pop Concert committee. There would be five people on the selection committee, two students, and three professional men. Floyd Arpan is the advisor we are hoping to get. The Assistant Program Director of Union Board would see that everything goes through, and he shall be an ex officio member of the panel, present for his ideas and knowledge of the program. The Union Director would also be on the committee. The Union Board Director in charge of Town Hall will chair the meetings, and the General Chairman of Town Hall would be a member of the committee, too. Sue Holliday moved that her proposal be accepted. The motion was seconded and passed. Dean Shaffer suggested that we have an edition of a manuscript printed in regard to the program.

Lycea Dinners: Bill Butz reviewed briefly what was going to happen at the dinner this Sunday night. There will probably be 135 people at the dinner, as this number has requested reservations. Tickets have been sent out. The guests will be met at the door and taken to their seats. There will be a sheet there which tells about the next speaker.

Newsletter: Priscilla Logan asked for the reports on the various activities. When all the reports have been turned in, they will be typed up and made into the Newsletter.

Art Salon: It seems that all of the entries have come in, but there is a possibility that there may be still more. Mike Cornfeld said that 114 pieces of work have been entered from 7 schools. We have received more pieces of work than we did last year, but not as many schools have entered. The entries have been pretty well distributed between the various art media. Art Salon will be from April 12 - May 3. The judging will take place on March 8.
