Vamp.

I made a great dis-cov-er - y, I found a girl that just suits
I would - nt say that she was wild, I would - nt say that she was

me. She's got that ver - y nec - es - sar - y qual - i - ty Now from
mild. She's just the sweet - est and the neat - est an - gel child And I

what I just found out I have - nt an - y doubt
real - ly could - nt say Just how she got that way But

She would, cause she could, make a dumb man shout.
she takes and she breaks man - y hearts a day.
