**"H**ONEYSUCKLE" is the most beautiful and melodious inspiration that has emanated from the prolific pen of Albert Von Tilzer.

"Honeysuckle" possesses the captivative qualities that makes the pianist play it and makes the listener want to hear it again and again.

Whether played by a large or small orchestra, whether played by a band or on the piano, "Honeysuckle" asserts itself as the most charming composition now before the public. Will also be published as a song.
