Two New Secular Songs

Mr. RODEHEAVER, in collaboration with Mr. Werner, has given us a fine little gem in "Lonesome." It tenderly breathes the longing of the soul absent from another, words and music being chaste, unaffected and refined. Many singers will find this song useful and delightful, especially for encore purposes. Lyceum singers will welcome it. Published for both high and low voice; high voice in A-flat, A-flat to A-flat; low voice in E-flat, E♭ to E♭
