Heartsease

"THE WOODS ARE ABLAZE"

NEIL MORET has given to the music world some tremendous successes, namely: "Hiawatha," "Moonlight," "Poppies," "Silverheels," etc. In "HEARTSEASE," Mr. Moret has another wonderful composition; the themes are extremely tuneful, and in character, it has unusual quality. A song of the heart, beautifully told in soul-stirring melodies and charming harmonies. Try the first movement of this gem found on this page. On sale at all music dealers or by sending to us. Price, 30c., postpaid.

Autumn Novellette

AUTUMN, Mr. Moret's latest composition, is truly a delightful thought, the melody singing a song of Autumn time,—the first theme portraying the dying summer in all its sweetness, then we have the second theme, where one can imagine the golden woods with its dancing leaves and rippling streams, then comes the grand finale like a huge organ, pealing forth its majestic melody in one grand triumphal chorus. "AUTUMN" is truly a tone picture, artistically painted in rainbows of rich musical coloring. You will find the first theme on this page; try it, and if your local dealer hasn't a copy, send direct to us. Price, 30c., postpaid.
