Love, Love, Love

1

You're fair to me and enchanting
Red lipped, soft skinned are you
Visions of sunkissed mornings
To live and laugh with you.
Limpid pools are your eyes
Rivalling blue of the skies
With you oh paradise
For all life thru

Chorus

Love, love, love
'Tis mightier than kings
Yet love grief sadness
Sometimes brings
Like summer rain
Refreshes all again
The only thing in life
Is love love love.

2

From out of my mountain fastness
Where sheep and goats abound
Longing I've gazed o'er the city
For there my love I found
His is a kingly state
Mighty magnificent great
Alas unhappy fate
I love alone

Chorus

Love, love, love
The only thing in life
Heart throbs caresses
Kisses and smiles
Lotion divine
That heals this breast of mine
Oh what an endless joy
Is love love love.
