MORE THAN SINGING

A Book on the Interpretation of Songs

by

**LOTTE
LEHMANN**

In "More Than Singing" the greatest Lieder singer of our generation tries for the first time to analyze and put into words the essence of her unforgettable interpretations. The book is divided in three parts: First, analyses of the standard masterpieces by Beethoven, Schubert, Schumann, Brahms, Wolf, Mahler and Strauss; the second part is devoted to the Cycle; the last, to English, French, Russian and Italian Songs. Lotte Lehmann's book opens a way to the boundless world of expression to every singer. But more than that—it addresses itself to all music lovers who desire a fuller appreciation of songs. It is the unique gift of an artist to all those who have heard and admired her.
