The World's Most Gifted and Highest Paid Song Writers Proclaim These Songs the Best They Have Ever Written

"Come Back, Dixie!" Never was melody more haunting. Play it, sing it quickly; you will find a warm spot for it "in the orchard" way down in your heart.¹⁰

We wanted to start the Fall Season with a BANG!

We wanted to fire a shot that would be heard around the world. We needed a quartette of world leaders. We called a conference of four song writers – the highest paid – in the world. We told them our plan. They were enthusiastic. They said, "We will not only excel our every past success but we will go on public record over our own signatures that these songs are the best we have ever written." You have the authors' own unreserved statements that these songs are their masterpieces. *Read what the world's foremost writers of these best four songs say over their own signatures:*

"'When You're In Love With Someone' is by all means our greatest bid for a place in the Hall of Music Fame."
