A New Song---by a new writer

Mr. Henry Wayne Beresford

This is really a beautiful Song—with the true heart understanding that is so helpful to us all. Not since the world famed "Rosary" by Nevins has there been anything with that "heart and soul something"—till this inspiration came to Henry Wayne Beresford. When you read this poem in the solitude of your own study you will "discover" in it a world of consolation. We've all known "Weary" days—and just when the last hope was almost gone—"Something Happened"—This song "At the End of a Weary Day" was written for YOU—IT WILL HELP YOU—IT'S THE TRUTH! It's the blending of poetry and music in a most charming and fascinating manner. THIS SONG IS ARTISTICALLY PUBLISHED IN THREE KEYS—and can be secured through your own favorite music dealer "At the End of a Weary Day" by Henry Wayne Beresford
