JERUSALEM RAG

Music by HERBERT BINNER

Moderato

The musical score is written in 2/4 time with a key signature of two flats (Bb and Eb). It begins with a piano introduction marked 'Moderato' and a forte 'f' dynamic. The piano part features a rhythmic melody in the right hand and a supporting bass line in the left hand. The vocal line enters in the second system with a piano 'p' dynamic. The lyrics are as follows:

Laughing Eyes - My Omaha

By HERBERT BINNER

The most Indian-like Indian song on the market. Good lyrics and exceptional music. The verse is a half ragtime melody, with just enough of the real Indian idea to make it a real American Indian song. The chorus is a lively two-step. Everybody whistles it.

"In Days of Yore"

A good theme and beautiful melody. One of our best sellers, ranking with the best selling ballads of the day. Quartette arrangement. A song you will never tire of.

"Laughing Eyes, My Omaha"

A real American Indian song, absolutely original, easy to memorize. Will be one of the features of the season.

"When the Girl You Love Turns You Down"

An exceptionally good sentimental song, with a fascinating, charming strain.

"Someone Dreams of Someone"

Our feature number for 1912, just off the press, and now being sung by the leading performers throughout the country.

"That Funny Melody"

A real fo-hunny one—a favorite with those who like a real good rag. An instantaneous hit with singers.

"In the Summer Time"

A beautiful and catchy melody and the greatest summer song ever written. Good for spring, summer, fall, or winter.

NOTE.—Our new number, "Oh, That Musical Dream," will be for sale by the time this catalogue is issued. The most prominent singers of ragtime have already made arrangements for this song, which promises to be the greatest hit ever produced—different from anything ever published.
