## Goodbye Broadway, Hello France!

**Goodbye Broadway, Hello France!**  
When you play and sing this song, you'll know why the regiments on their way to France adopted it as their own. In the language of the boys—"It's got everything." The big hit of the New York Winter Garden and positively the biggest song hit of the year. A wonderful fox-trot or one-step. By Reisner, Davis and Baskette.

Just try over the choruses printed below and then you'll know why song experts consider these four songs in a class by themselves.

You've simply got to have them if you want to play and sing the latest and most popular tunes—the four really big hits of the year.

Vaudeville performers are singing them in hundreds of cities to thousands and thousands of people who applaud vigorously, thus showing their approval.

If you haven't heard them in your city as yet be sure to tell your Theatre Manager you would like to hear them sung. He will be glad to accommodate you. And get all four of them for yourself, today.

## Where Do We Go from Here?

**Where Do We Go From Here?**  
Another song that our soldier boys are singing everywhere—and most everybody else, too. The Phila. North American says: "The 'Tipperary' of 1917." It started out to be a funny song about "Paddy MacK, who drove a hack"—but Paddy enlisted and his song struck the fancy of the soldiers. When some one says, "Where do we go from here?" you'll get his meaning. By Johnson and Wenrich.
