The song "Good-Bye Sweetheart, Good-Bye" occupies a unique position in contemporary high class songs. It is unequalled for teachers, concert singers, quartettes, trios, duettists and singers of limited or great vocal abilities. Like all great songs it has the elements of simplicity and its pure melody flows along till a climax thrilling in its soulful intensity is reached. "Good-Bye Sweetheart, Good-Bye" adorns any programme whether that of a concert, theatrical performance or home entertainment, and cannot be matched for its fine qualities in any other song of late years. Arranged in three keys, for high, medium or low voice.
