Allegro.

Voice.

We've sung a-bout the Ar-my, And sung a-bout the Flag; But  
Our country's had some heroes, And we can name a few; Paul

Vamp.

what a-bout the Na-vy? It's nev-er known to lag; They fought for In-de-pendence And  
Jones and brave George Dewey; They all wore Na-vy blue; And there's Com-mand-er Peary, Who

help'd our Un-ion too, And now they're go-ing ov-er there, To show them what to do.  
put the Flag up North, They'll find we have a Fletch-er now, Who'll show them what he's worth.

## CHORUS

It is the Na - - vy, the fighting Na - - vy, Of the good old U. S.

A., ——— It's the boys in blue with their hearts so true, Who are guard-ing us

night and day, ——— They're on the o - - cean in fighting mo - - tion, And they're

Ev 'ry U-boat will be sunk like a lot of Ger-man

## Emergency Fund of \$2,000,000 Is Needed

Since the declaration of war, the Navy has quadrupled in size.

	Jan., 1917	Jan., 1918
Men .....	68,000	285,000
Officers .....	4,500	15,000
Total .....	72,500	300,000
Ships .....	300	1,000

The loss of two or three warships, involving aid to many families *would practically wipe out* the Society's resources and reserve fund of \$200,000.

Since 1904 its funds have been raised by the officers and men of the service, their families and their friends, without appeals to the public.

\*\*\*\*\*

The opportunity is now extended to patriotic civilians who are justly proud of the Navy to assist the Navy in caring for its own.

EVERY DOLLAR OF FUND WILL BE SPENT  
FOR RELIEF OF NEEDY FAMILIES

Make all subscription checks payable to J. P. MORGAN & CO., for  
Navy Relief Society, 23 Wall Street, New York.
