## Sing on to Victory with 'Songs of Cheer'

HERE it is—the song book of America—a Pocket Book of Songs—the soul of America's war-time spirit expressed in songs of cheer. Here are the songs our boys sing when they march away—the choruses they sing in trench and dugout over there—the songs they'll sing when they come marching home from victory. All of them are songs of cheer, that you love to hear, and sing and play.

They are the inspiration songs of today, the memory songs of tomorrow. You will enjoy every whit of this little volume now—and in later years you will cherish it as a treasure.

64 Pages of Patriotic Love & Cheer **SONGS, 15c**

"Songs of Cheer" should be in every Home. It's a Pocket Size (4 x 5 1/2 in.) 64 Page Folio, chock full of ammunition for building morale at the Front and at Home. It contains all the songs and choruses worth singing, the national anthems of the Allies, the songs of long ago, the new hits of today. Many hits are printed with words and notes. See other column for complete list of contents.
