"Sand Dunes"

the Oriental One-step, by BYRON GAY

Not since the famous "Georgia Camp Meeting" of years ago, has there been an instrumental piece of music on the market, that has so completely captivated the Public as has the new number

"SAND DUNES"

To use a slangy phrase, it is absolutely "sweeping the country" and so any one who is not familiar with, or is not playing it, or is not dancing to it, is certainly behind the times. The Musicians, Bands and Orchestras are just as "crazy" 'bout it, as the rest of us—the Bands in all cantonments are playing it as their "Pet" selection, and are marching to it, so it's up to you to "Swing in Line" and get your copy today. You'll find it at the "Better-Class" music stores, and when you have played it several times, and have it "down" so that you can play it from memory, that's when you'll "rave". Anytime you go to a dance or party, always ask the orchestra to play these two biggest hits of the year—

"THE STORY BOOK BALL"

and this sensational "hit" "SAND DUNES" Don't forget the HARMES.

In Mother Gooses book up in the nurs'ry, Poor Simple Simon said
"I'm feeling sad", Said Peter Piper's daughter so am I,
and think we oughter, try to think of something that will make us glad,
So "Smarty Smarty" said "I'll give a party"
And they called on the old women in the shoe,
The cat she brought her fiddle, and she played "High Diddle Diddle",
and what happened then, I'm goin' to tell to you.

CHORUS:

"Little Jackey Horner", eating pie up in the corner,
stuck in his thumb, pulled out a plum,
"Little Missie Muffett" she was sitting on a Tuffett,
and she said Yum Yum, please give me some,
"Little Georgie Porgie", with his pudding and his pie,
kissed mary quite contrary 'till he made her cry;
And little Bo-Peep, she lost her sheep, and couldn't find 'em:
their tails behind 'em.
"Peter Peter Pumpkin Eater had a wife and couldn't keep her at the ball,
In the hall.
Humpty Dumpty met her, said I'll bet her that I'll get her,
and I'll make her fall, that's not all:
Old King Cole, that merry old soul, he fell for "Mother Hubbard"
blew his big bank roll, buying Lollypops and pretties,
for the kiddies at the Story Book Ball.

NOTE:

This song is considered the most original of any song written in the past 25 years. It's a wonderful song for the "little ones" and the "grown ups" love it just as much as the kids—it takes 'em back to happy childhood days.

"STORY BOOK BALL" is an ideal song for any kind of children's entertainment. For the "little ones" to sing or to "take part" in it—as each child can be costumed as one of the Mother Goose characters in the song. The more you hear this song the more enthusiastic
